Experience

Web Developer

George Mason University - Computer Game Design

Sep 2021 - Present (1 year 6 months)

I am web developer for GMU's Mason Game & Technology academy. I work creating the front end for the online courses. I am also working to create my own cybersecurity course for MGTA.

Teaching Assistant

George Mason University - Computer Game Design

Jan 2020 - Present (3 years 2 months)

I work during the summers and on and off during the school year as a teaching assistant. I have helped teach the python, unity, and unreal engine 4 courses.

Online Personal Instructor

iD Tech Camps

May 2021 - Aug 2021 (4 months)

I taught 1 on 1 courses for python. I worked closely with young kids who were starting to learn to program, and taught them the fundamentals through python.

Data Science Intern

Premise

Dec 2019 - Aug 2020 (9 months)

I was an intern for Premise Data, working closely to verify data. I wrote a script to automate the process and they brought me back on over the summer to work more closely with the team and create a portal for new interns to speed up the verification process.
